

<https://isatexas.com/>

ISA certified arborist is an individual who is trained in the art and science of planting and maintaining individual trees. Arborists that are certified by the International Society of Arboriculture have a minimum of three years' full-time experience working in the professional tree care industry, follow a code of ethics to ensure the reliability of their work, and have passed an arboriculture exam or hold a degree in arboriculture, forestry, landscape architecture, or horticulture. Obtaining the certification demonstrates that the arborist is a knowledgeable, experienced tree care professional.

This is an alphabetical list. We do not recommend any one over another.
